## **DIANA HARRISON WALL**

University Distinguished Professor and Director, School of Global Environmental Sustainability Colorado State University, Fort Collins, CO 80523-1036

http://www.biology.colostate.edu/faculty/dwall

#### Education

Ph.D. Plant Pathology. University of Kentucky, Lexington.

B. A. Biology. University of Kentucky, Lexington.

# **Professional Employment**

2008- present Director, School of Global Environmental Sustainability, Colorado State University(CSU), Fort Collins, CO 2006- present Professor, Department of Biology, CSU

1993-present Senior Research Scientist, Natural Resource Ecology Laboratory, CSU 1993-2006 Professor, Forest, Rangeland, and Watershed Stewardship Department, CSU 1993-2005 Director, Natural Resource Ecology Laboratory, CSU

2001 Interim Dean, College of Natural Resources, CSU

1993-2000 Associate Dean for Research, College of Natural Resources, CSU

1993 Professor, Dept. Nematology, University of California (UC), Riverside

1990-1993 Associate Professor and Associate Nematologist, Dept. Nematology, UC Riverside 1982-1990 Associate Research Nematologist, Dept. Nematology, UC Riverside

1988-1989 Associate Program Director, Ecology Program, National Science Foundation (NSF), Washington, DC

1986-1988 Associate Director, Drylands Research Institute, UC Riverside

1976-1982 Assistant Research Nematologist, Dept. Nematology, UC Riverside

1975-1976 Lecturer, Dept. Plant Science, California State University, Fresno, CA

1972-1975 Postgraduate Research Nematologist, Dept. Nematology, UC Riverside

1971-1972 Biology Teacher, Julius T. Wright School for Girls, Mobile, AL

1970-1971 Director, Biology Laboratories, Mobile College, Mobile, AL

### Honors(2005~)

2012 Fellow, Ecological Society of America Mines Medal, South Dakota School of Mines & Technology

President's Medal for Excellence in Antarctic Research, Scientific Committee on Antarctic Research (SCAR)

2011-2012 Member, U. S. Antarctic Program Blue Ribbon Panel

2012 Tansley Lecturer, British Ecological Society 2010 Resident Distinguished Ecologist lecture, CSU Graduate Degree Program in Ecology 2009 University Distinguished Professor, Colorado State University

Unduloribates dianae (Behan-Pelletier et Walter,

2009) (Acari: Oribatida) described

+49 551 39 3310

Phone: 970/491-2504

Fax:

2008 Golden Beaker Award for Outstanding Performance, MCMLTER Soil Ecology team, McMurdo Station Helicopter Operations (07-08 season), Antarctica

2007 Distinguished Ecologist lecture, Program in Ecology, University of Wyoming

2006 Honorary Doctorate, Utrecht University, The

2005-2011 At Large Individual Member, United States National

#### Offices Held

Research Project Leading (total > 30 projects)

2004 President, Association of Ecosystem Research Centers

2003 Chair, Council of Scientific Society Presidents 1999-2000 President, Ecological Society of America

1993 President, American Institute of Biological Sciences

1984-1985 **President**, Intersociety Consortium for Plant Protection

1983-1984 **President**, Society of Nematologists 1983-1985 President, Sigma XI, University of California. Riverside

1975-1976 Faculty Fellow, California State University, Fresno

## **Boards and Foundations**

2011- present **Chair**, Scientific Advisory Committee, Global Soil Biodiversity Initiative

Member, South Dakota School of Mines, University **Advisory Board** 

2006-present Member, World Resources Institute, Board of Directors

2009-present Member, Scientific Advisory Board, EU Research Project, EcoFINDERS

2001-present Member, Island Press Board of **Directors** 

2007- present Member, Advisory Board, Aldo Leopold Leadership Program, Stanford University 2006-2011 Member, UNESCO International Hydrological Program US National Committee 2006-2008 Member, Scientific Advisory Committee, Institute of Arctic & Alpine Research, Univ. Colorado

2005- 2008 Member, Polar Research Board, National Research Council

2005-2006 Member, AAAS Advisory Committee on International Science

2005-2008 Member, Scientific Advisory Board, United Kingdom Population Biology Network (PopNet)

Member, Programme Advisory Committee, Conservation & Sustainable Management of Belowground Biodiversity Project, Tropical Soil Biology and Fertility Inst. of CIAT, Nairobi
